Dear Home Owner:

Mid Rivers Service Engineering is a family owned and operated business that has provided commercial and industrial clients with quality service at a fair price for more than 17 years.

We are proud to announce that we have expanded and can now bring that same quality service to your home.

Although residential, custom home builders and new construction accounts are now among our valued clientele, we are continuing to loyally serve our industrial and commercial clients.

Please call us for a free in-home estimate and experience firsthand our honest approach to business and our quality service guarantee.

Sincerely,

PHILLIP V. GRECO, SR.  
PRESIDENT

**P.S. Remember, at Mid Rivers Service Engineering, there is no job too big or too small. We can handle them all.**
